

Greetings from Seussville,

First and foremost, I want to thank all of you for your prayers and love over the last two months. As you know, I have not been 100% in terms of health. I feel better now. I thank you for your patience. I'm very blessed to have people like you in my life.

Stations of the Cross: The 6th and 7th Grade class will be leading the Stations of the Cross next week on Friday from 2:00 to 2:45 PM. I encourage all of you to join us in this journey of understanding the Passion of Christ. We will also be re-enacting the Living Stations of the Cross on Thursday, April 13. We will start in the Hall with the Washing of the Feet and then process to the Church for the Living Stations. I will keep you posted with details as we approach the event.

6th Grade Camp: Mrs. Huelskamp has sent an invoice to all of you in regards to 6th grade camp. Please check your e-mails so that you can plan accordingly.

Science Fair: I will be available on Monday, Tuesday, and Thursday from 3:30 to 4:30 PM to help our Science Fair Finalist polish their projects. Mrs. Carey will also be here some of the time to help as well.

Math Lab: Tuesday and Thursday from 3:30 to 4:15 PM.

Seussville Mayor,

Mrs. Martinez
